

NESTCHARGE ONE

INTEGRATED Li-ION BATTERY AND INVERTER

"FROM POWER CUTS
TO POWER FREEDOM!"

The Smarter Choice in Power Nestcharge Li-Ion Battery

- Battery Life **10+Years**
- **No Maintenance** needed for battery
- **80% Higher Energy Storage**
- **60% Lighter Design**
- **2X Faster Charging**

BATTERY + INVERTER

HALF THE COST, DOUBLE THE EFFICIENCY!

*In a 10 years comparison, A **1 kW Nestcharge Li-Ion system** provides **58% lower ownership cost**, **40% Higher Efficiency** & **Zero Maintenance** perfect for every home.

**6 TO 8 HOURS
BACKUP TIME**

**BATTERY - 6 YEARS
INVERTER - 5 YEARS**

**OUTPUT PHASE
220V AC, 1 PHASE**

**92%
EFFICIENCY**

*Based on a 10-year analysis comparing a 1 kW Li-Ion inverter system with a conventional lead-acid setup under normal usage conditions.
